<p style="text-align: center;"><b>Working collaboratively with the community:</b></p> <p>A stated goal of the Empty Bowls process was to work collaboratively as a community. This is reflected in how well you worked with your partners in class as well as with the students who worked on the bowls before and after you. How did you do on "challenging" bowls that required a lot of repair work? Did you leave bowls with problems for the next group of students to correct?</p>
